For all your dentistry and facial  
aesthetics treatments

Patient Membership Plan  
by Malone Dental

## Welcome to Malone Care

Thank you for entrusting your oral health care to us at **Malone Dental** where we strive to take the best possible care of all our patients in a friendly, relaxed environment. That means providing you with the most up-to-date quality care in the most comfortable and affordable way possible. Top quality dental care at reasonable prices!

To make high quality dental care even more affordable, we have created **Malone Care** — a bespoke membership plan which gives you the peace of mind that comes from knowing that your oral health is being maximised in a budget-friendly manner.

Find us on Facebook, Instagram & Twitter

## Prevention is better than cure

Oral health has a major impact on your overall general health and wellbeing, and regular dental checks can help reduce the need for future treatment. **Malone Care** is for all the family and encourages regular attendance, which allows us to identify any issues at an early stage and thus help you avoid any surprise oral health or dental cost issues. You're never too young or too old to start routine dental check-ups!

Unlike some dental membership plans, acceptance into **Malone Care** for existing patients does not depend on the current state of your oral health and there is no joining fee. New patients require a routine examination and will then receive a 10% discount on the first course of treatment and 20% discount for subsequent treatments.

# Malone Care Plan

\*\*\*Prices correct at April 2021 and subject to periodic review. See **Malone Care** booklet for full details.

# Healthy Oral Care Habits Start Early!

Forming healthy dental habits early is especially important for children and older youths in order to avoid the need for treatment. As well as their normal regular checkups with the dentist, help them keep their teeth in pristine condition and get used to visiting the surgery by enrolling them in Malone Dental's hygienist plan for children and young people (up to 16 years of age).
